Certified Copies of Birth and Death Records

What is the Office of Vital Records?

The Office of Vital Records (OVR) is the State Registrar for the State of California. We maintain a permanent, public record of every birth and death that has occurred in California since July 1905, and have more than 50 million records on file.

What services are available from OVR?

- When we receive an application and the required fee, we will provide certified copies of birth or death records to anyone who can provide enough information to identify a specific record.
 - We do not release information contained in vital records except through certified copies.
-

What is the fee for a certified copy of a birth or death certificate?

- Birth Certificate: \$14
Death Certificate: \$12
 - Fees are nonrefundable (per state law).
 - Fees are established in the California Health and Safety Code, which authorizes our office to keep the fee when it searches for a record even if no certified copy is issued. For this reason, you should provide as much information as possible so we can locate the correct record.
 - If we cannot locate the record based on the information you provide, we will keep the fee (for our searching efforts) and issue a Certificate of No Public Record.
 - Our office is separate from the local registrars and county recorders, so fees previously paid to these offices cannot be transferred to our office.
 - We do not issue free copies except to: 1) district attorneys for child support enforcement, 2) veterans for the sole purpose of establishing military benefits, and 3) victims of crime in connection with a claim under the Victims of Crime Act.
 - Fees should be paid by check or money order payable to **Office of Vital Records**. International money orders for out-of-country requests should be payable in U.S. dollars.
-

Do we have the record you are requesting yet?

**Information You Should Know
Before Requesting Birth or Death Certificates
From the State Office of Vital Records**

Before birth and death records are registered in our office (state database) and available for purchase, they are registered (County Health Department) and recorded (County Recorder's Office) at the local level in the county where the event took place.

- Because of the time it takes the county offices to send the records to our office, and to get them registered in our system, ***we encourage you to request certified copies of birth and death certificates from the County Recorder's Office for the first six months after the date of event.***
- **Caution:** If you choose to send your request to our office within the first six months of the date of event, and we do not yet have the record available, we will issue you a Certificate of No Public Record. (The law requires that we keep the fee for our searching efforts.)

If the Record is Being Amended

Amendments to original birth and death records are frequently submitted to our office to correct errors or add information to original documents. Amendments can take up to one year to process. Typically, requests for copies of amended certificates are requested at the same time as the amendment is submitted, and the applicant receives a certified copy once the amendment is completed.

- If you request a certified copy ***before*** the amendment has been completed, you will receive either a copy of the original record (unamended), or (if we are unable to locate a public record) a Certificate of No Public Record.
 - If you know that the record is being amended, and it is the amended record that you want, please wait until after the amendment has been completed before requesting a certified copy.
-

What do I submit to get a birth or death certificate?

- Applications are included in this pamphlet (you can photocopy additional copies if needed, or download them from our website).
- Order forms electronically at:
<http://apps.cdph.ca.gov/AutoForm2/default.aspx?af=1184>.
Because of the volume of phone calls we receive, the Internet is usually a faster process for our customers than calling our Customer Service Unit.
- Complete the appropriate application for the type of record you are requesting (birth or death) – be sure to complete all items on the application.
- Complete a separate application for each record requested.
- Mail the following items to our office using the address on the front of this pamphlet:
 - Completed application.
 - Appropriate fee.
 - **Notarized** Sworn Statement (if appropriate) – see next section.
- If any of the required items are not included, your request will be returned to you for correction.

Do I need to provide a Sworn Statement?

That depends on the type of certificate you are requesting.

Effective July 1, 2003, a new law changed the way we issue birth and death certificates. There are now two types of certified copies that we provide:

1. **Certified Copy** (only authorized individuals can get this type).

If you are requesting a **Certified Copy**, you **MUST** provide a notarized Sworn Statement (see page 3 of application) declaring under penalty of perjury that you are authorized by law to receive the Certified Copy (see application for list of authorized individuals).

If you are requesting a Certified Copy and a notarized Sworn Statement is not included, we will not be able to accept your request for processing.

(Continued)

Do I need to provide a Sworn Statement?

(Continued)

A Certified Copy can be used to establish the identity of the person named on the certificate.

Note: Only one Sworn Statement is required for multiple records that are requested at the same time - but the Sworn Statement **must** include the name of **each** person whose record is being requested and your relationship to that person.

2. **Certified Informational Copy** (anyone can get this type).

If you are requesting a **Certified Informational Copy**, you **DO NOT** need to provide a Sworn Statement.

A Certified Informational Copy **cannot be used to establish identity**.

Persons who are not eligible to receive a Certified Copy can receive a Certified Informational Copy.

Both of these documents are certified copies of the original document on file with our office – they are exactly the same and contain exactly the same information. Our application (attached) contains more detailed information about these two types of certificates.

How long does it take to get a birth or death certificate?

- Our current processing time is approximately 18 weeks. (This is a temporary increase due to the volume of incoming requests. Always check our website at: www.cdph.ca.gov/certlic/birthdeathmar/Pages/ProcessingTimes.aspx for the most current processing time.)
- **If you need your copy sooner**, you should contact the County Recorder in the county where the event occurred (a list of County Recorders is attached). Because of the large volume of requests we process at the state level, the county offices can usually provide a faster processing time.

If your record has been amended due to an adoption, court order name change, or paternity action, we cannot guarantee that the county office will have your amended record. In these cases, you may want to submit your request to our (state) office for processing.

**How will I know
if my request has
been accepted?**

Once your request has been received and evaluated, we will send you either:

- A postcard letting you know your request has been accepted, and reminding you of our processing time.
- If your request is not accepted (e.g., due to insufficient fee, insufficient information, etc.), we will return your request to you with a letter explaining what needs to be corrected.

Please allow about 6 weeks to receive these documents.

**What if I still
have questions?**

If you have read this pamphlet thoroughly and still have questions that were not answered in this pamphlet, please call our Customer Service Unit at (916) 445-2684 (Monday through Friday).
